

SYNQUEST LABORATORIES

Bringing creativity and innovation to fluorine chemistry

Fluorinated Building Blocks

SynQuest Laboratories provides fluorinated compounds, custom synthesis, and specialty manufacturing with a focus on precision, purity, and reliable technical support.

Specialty Fluorinated Materials

Custom synthesis

Quality assured

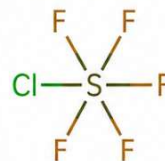

Global shipping

Featured Specialized Materials

Sulfur chloropentafluoride

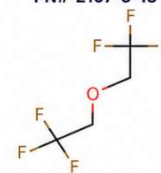

CAS 13780-57-9
PN# M016-6-01

ClF_5S

Bis(2,2,2-trifluoroethyl)ether battery grade

CAS 333-36-8
PN# 2107-3-18

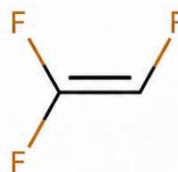

$\text{C}_4\text{H}_4\text{F}_6\text{O}$

Featured Cylinder Materials

Trifluoroethylene

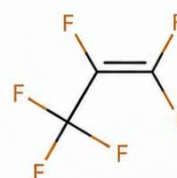

CAS 359-11-5
PN# 1300-3-05

C_2HF_3

Hexafluoropropene

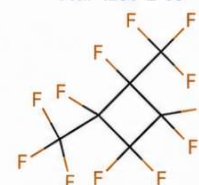

CAS 116-15-4
PN# 1300-2-02

C_3F_6

Perfluorodimethylcyclobutane

CAS 2994-71-0
PN# 1200-2-03

C_6F_{12}
